

BECOMING ACTIVE CITIZENS THROUGH MINECRAFT- ENHANCED VIRTUAL TOURISM

Become a local tourism changemaker!

The MINETour project has created a free course where active citizens can build sustainable tourism in their communities.

Start learning [HERE!](#)

LEARNING DESTINATIONS

1. Sustainable Tourism

Learn how tourism can protect the planet, celebrate culture, and benefit local economies.

3. Digital Skills for Sustainable Tourism

Use tools like social media, apps, and online platforms to promote sustainable tourism.

2. Digital & Financial Literacy

Build digital confidence and financial know-how to support personal and tourism-related projects.

4. Community Engagement

Discover how to bring people together, build partnerships, and plan meaningful local projects.

5. Innovative Approaches in Local Tourism

Explore fresh ideas like tech-driven experiences and community-led tourism initiatives.
